- Scar Treatment (Fractionated Erb:YAG, Pixel and CO<sub>2</sub>, Fillers, IPL, Flashlamp Pulsed Dye)

# PLASTIC & COSMETIC SURGERY

While many advances in cosmetic dermatology and laser medicine offer superior results using non-invasive procedures with little downtime, plastic surgery is still the best option in certain situations.

- Augmentation Mammoplasty with lift or without lift
- Reduction Mammoplasty
- Tummy Tuck
- Rhinoplasty
- Cosmetic Eyelid Surgery
- Facial Cosmetic Surgery
- Small Incision Facelift and Neck Tightening
- Endoscopic Brow, Cheek and Facelift Surgery
- Smart-Lipo (Laser Liposuction)
- Liposuction, Body Sculpture
- Liposculpture and Fat Transfer

# SKIN CARE, FACE & BEAUTY

**REVITALIZING PEELS** Repeated chemical peeling is a program of skin rejuvenation which aims to improve the skin over time rather than with one treatment. Peels are repeated until the desired effect is achieved.

- Glycolic and Salicylic Acid Peels
- Neostrata Peel Boosters
- Vitalize Peel®
- Illuminize Peel®
- Lactic Acid
- Lactic and Mandelic Acids
- iS Clinical Innovative
- Rejuvenize Peel™
- Customized Peels

**DERMABRASION & DERMAPLANING** Both services remain in high demand because they continue to deliver the desired results for our clients.

- Crystal-Free Microdermabrasion
- Dermaplaning

**FACIALS-PROFESSIONAL SKIN TREATMENTS** Facials are performed by our award winning team of Certified Skin Care Therapists. Ask them to assist you in picking the best facial for your skin complexion and condition.

- Express
- European
- Multi-Vitamin Power
- Sports
- Anti-Acne
- Customized Skin Care Treatments

**BEAUTY SERVICES** Let our Skin Care Therapists and Beauty Experts show you the latest and greatest.

- Revitalizing Eye Treatment
- Eyebrow & Eyelash Tinting Eyebrows Eyelashes  
Both Eyebrows & Eyelashes
- Latisse®
